

USE OF TOBACCO PRODUCTS AND IMITATION TOBACCO PRODUCTS

To promote the health and safety of all students and staff and to promote the cleanliness of district property, the district prohibits all employees, students and patrons from smoking or using tobacco products, electronic cigarettes or imitation tobacco or cigarette products in all district facilities, on district transportation, on all district grounds at all times and at any district-sponsored event or activity while off campus. This prohibition extends to all facilities the district owns, contracts for or leases to provide educational services, routine healthcare, daycare or early childhood development services to children. This prohibition does not apply to any private residence or any portion of a facility that is used for inpatient hospital treatment of individuals dependent on, or addicted to, drugs or alcohol in which the district provides services.

Students and employees who violate this policy will be disciplined in accordance with applicable Board policies and may be offered referrals to smoking cessation programs. Employees may be terminated for repeated violations. Visitors who violate this policy may be asked to leave or may face other consequences in accordance with district policies and procedures.
